We're growing places

Home-Grown Loans

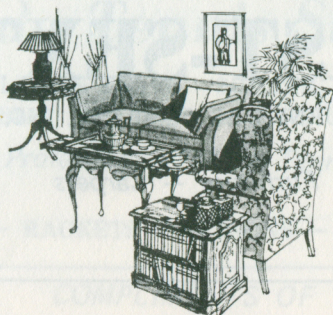

When it comes to growing new houses, or growing additions to old ones, most folks come to The Money Growers Association for a Home-Grown Loan. We raise the money for everything to building and buying to home improvements and mobile home financing. And we do it at the lowest possible ground-floor rates.

"We look to your future with interest."

PROGRAM NOTES

"Picnic" by William Inge, a summer romance in three acts, takes place in a small Kansas town in the early 1950's. The yard shared by Flo Owens and Helen Potts is as realistic and delicate as the romantic interludes which occur there. Moving in and out of this pictorial setting, influenced by the last throws of Indian summer, are: Bomber Gutzel, the wiseacre paperboy; the wise and cheerful neighbor, Helen Potts; the all enduring mother, Flo; lovely and winsome Madge Owen; Hal, the roguish freight-train rider; Alan Seymour, the nice guy that finishes last; Rosemary, the old maid school teacher determined not to stay that way; the perennial bachelor, Howard; two flighty school teacher friends of Rosemary's, Christine and Irma; and the ever present, irrepressable tomboy sister, Millie.

"Man in a Dog Suit" by Albert Beich & William Wright will be presented March 29 - April 2, 1977, under the direction of Jim Alford.

"Fiddler on the Roof," the spring musical, will be presented May 7-15, 1977, under the direction of Katie Damron and assisted by Walter Sharp.
